The first edition of the Grand Soleil Vintage Cup has come to an end. Portopiccolo Sistiana was the perfect location to gather and celebrate together the long-awaited debut of this competition.

Two wonderful days of sunshine and perfect breeze for sailing, together with parties and dinner in the evening on the terrace with music and DJ in one of the most spectacular Italian locations. We thank you all for the incredible enthusiasm with which you participated. Experiencing the Grand Soleil family is a thrill we are always proud to share. The perfect success of this event is also thanks to Stefano Quaggiotti and Roberto Cabrini for directing and coordinating the organization at Marina di Sistiana.

Grand Soleil Vintage Cup was a real party, sailing and fun onboard Grand Soleil yachts with construction design prior to the year 2000. It was also an opportunity to admire the evolution of hull lines and design that have made the history of Italian and international sailing. The event immediately proved to excite all sailing lovers. After a day of great sportsmanship, the Grand Soleil Vintage Cup proclaimed its podium.
