Grand Soleil Vintage Cup 2022 is the first edition of the sailing event dedicated to all "Vintage" boats that have made [Cantiere del Pardo](#) renowned in Italy and internationally. This sailing event organized by Grand Soleil Yachts is dedicated to all [Grand Soleil](#) sailboats with projects of construction prior to the year 2000, which is the only requirement for participation. The sailing event will include two intense days of regatta, Saturday June 18th and Sunday 19th.

The Grand Soleil Vintage Cup represents an important community-sharing event for our owners, sailing enthusiasts of the historic Italian brand established in 1973, approaching the 50th anniversary of its founding in 2023.

The sailing event will be staged in the beautiful location of Portopiccolo Sistiana, Trieste, which is the ideal meeting spot for Grand Soleil owners, friends and crews. GS Vintage Cup is not a proper regatta race but rather a "sea gathering" for all those who share common passions for boating and sailing. This will also allow people to admire the hull design evolution that has made Italian and international sailing history.

The yard has chosen the year 2000 as the watershed for the Grand Soleil Vintage Cup because it is the year when design and hull lines began a real process of evolution. There has been a shift
